Dear Ms. Dortch,

Pursuant to the provisions of Section 1.1206(b) of the rules and regulations of the Federal Communications Commission ("FCC"), this letter provides notice of a telephone conference on January 29, 2004, between Gary Smith and Jason Smith of MariTEL, Inc. ("MariTEL"), their undersigned counsel and Tim Maguire of the Wireless Telecommunications Bureau.

During the telephone conference MariTEL representatives clarified certain elements of the report submitted by inCode Telecom Group, Inc. ("inCode") submitted in certain of the

above referenced proceedings. The conference call focused on two primary topics. First, MariTEL provided clarification on several aspects of the inCode report including the test setup and interpretation of results. The second topic was a discussion of possible actions to address Automatic Identification System ("AIS") interference including reviewing the IEC 61993-2 15 1.3 test standard or the current transmission mask. MariTEL stated its willingness to provide additional clarification to the inCode report or discuss further AIS interference based on a request from the FCC

Should there be any questions regarding this matter, please contact the undersigned directly.
